

January 30, 1958

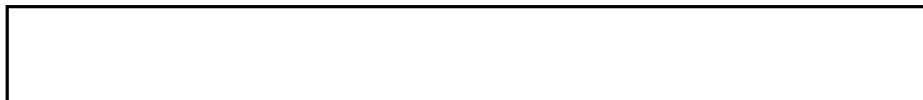

Mr. Harold K. Hochschild

Dear Harold:

Many thanks for your good letter of 7 January with its gout diet.

So far, with a combination of Colchicine and Benamid, I am doing quite well and am able to eat, apparently with immunity, some of the prescribed dishes on your list. I do avoid liver, brains and kidneys, heavy wines and the like. Age itself seems to be a progressive cure.

Sincerely yours,

AWD:at
